Test Case ID	Name of Module	Test Case Description	Pre-conditions	Test Steps	Test Data	Expected Results	Actual Result	Test Result
UT_01	Eligibility Evaluation (Unit)	Verify the eligibility-check function returns Eligible for a student meeting all criteria.	Student profile exists with CGPA and branch set; listing criteria configured.	1. Call evaluate Eligibility (studentProfile, listingCriteria) directly. 2. Inspect the returned status and unmet-criteria list.	Student CGPA = 8.5, Branch = CSE Listing min CGPA = 7.0, Allowed branch = CSE	Function returns “Eligible” with an empty unmet-criteria list.	Function returned “Eligible” with an empty unmet-criteria list.	**Pass**
UT_02	Eligibility Evaluation (Unit)	Verify the eligibility-check function returns Ineligible when CGPA is below the minimum.	Student profile exists with CGPA below listing's minimum requirement.	1. Call evaluateEligibility() with the below-threshold CGPA. 2. Inspect the returned status and reason.	Student CGPA = 6.2 Listing min CGPA = 7.0	Function returns “Ineligible” with reason “CGPA below minimum requirement.”	Function returned “Ineligible” with reason “CGPA below minimum requirement.”	**Pass**
UT_03	Resume Upload (Unit)	Verify an accepted file type (PDF) under the size limit is uploaded successfully.	Student logged in and on the profile/resume upload page.	1. Click “Upload Resume.” 2. Select a .pdf file under 5 MB. 3. Click “Upload.”	File = resume_valid.pdf (1.2 MB)	File is accepted and saved to the profile; “Resume uploaded successfully” message is shown.	File uploaded successfully; success message displayed as expected.	**Pass**
UT_04	Resume Upload (Unit)	Verify an unsupported file type is rejected with an appropriate error message.	Student logged in and on the resume upload page.	1. Click “Upload Resume.” 2. Select a .exe file. 3. Click “Upload.”	File = setup_test.exe (500 KB)	Upload is rejected; error message “Only PDF/DOCX files are allowed.”	Upload rejected with the message “Only PDF/DOCX files are allowed.”	**Pass**

UT_05	Application Form (Unit)	Verify submission is blocked when the mandatory resume field is empty.	Student logged in, viewing an eligible listing's application form.	1. Leave the “Resume” field unselected. 2. Click “Submit Application.”	Resume field = empty	Submission is blocked; error message “Please attach a resume before submitting.”	Submission blocked with the message “Please attach a resume before submitting.”	**Pass**
IT_01	Application ↔ Eligibility Engine (Integration)	Verify the application flow correctly integrates with the eligibility-check engine before allowing submission.	Eligible student profile complete; target listing is published.	1. Open the listing details page. 2. Click “Apply.” 3. System runs the eligibility check in the background. 4. Verify the application form opens.	Student CGPA = 8.0 (min required 7.5), Branch matches allowed list	Eligibility check passes silently; application form opens for submission.	Application form opened after a brief loading indicator; no errors shown.	**Pass**
IT_02	Application Status Sync (Integration)	Verify a status change made by the Recruiter is reflected on the Student's dashboard.	An application already exists with status “Applied.”	1. Recruiter opens the applicant list for the listing. 2. Recruiter changes the applicant's status to “Shortlisted.” 3. Student refreshes their “My Applications” page.	Application ID = APP1042, New status = “Shortlisted”	Student's dashboard shows the updated “Shortlisted” status after refresh.	Student dashboard displayed “Shortlisted” status after refresh.	**Pass**
IT_03	Application ↔ Notification Service (Integration)	Verify a successful application submission triggers the email notification service.	Student has a valid registered email; notification service is configured.	1. Submit an eligible application. 2. Check the registered email inbox within 60 seconds.	Student email = student_test1@pes.edu	Confirmation email is received within 60 seconds, containing the application reference ID.	Email received in 48 seconds with the correct application reference ID.	**Pass**
ST_01	Apply to Internship – End to End (System)	Verify an eligible student can complete the full apply flow from login to confirmation.	Student account exists; at least one eligible listing is published.	1. Log in as student. 2. Browse listings and open an eligible listing. 3. Click “Apply,” attach resume, submit. 4. Check status on “My Applications.” 5. Check email for confirmation.	Username: student_test1, Password: Test@123 Listing: “SDE Intern – TechCorp”	Application recorded with status “Applied”; confirmation email received; recruiter can view the applicant.	Application showed “Applied” on dashboard; confirmation email received; applicant visible to recruiter.	**Pass**

ST_02	Apply to Internship – End to End (System)	Verify an ineligible student is blocked from applying and shown the unmet criteria.	Student profile's CGPA is below the listing's minimum requirement.	1. Log in as student. 2. Open a listing the student does not meet the criteria for. 3. Attempt to click “Apply.”	Username: student_test2 (CGPA 6.0) Listing min CGPA = 8.0	“Apply” button is disabled; tooltip shows unmet criteria; no application record is created.	“Apply” button disabled with tooltip “Minimum CGPA 8.0 required”; no application record created.	**Pass**
ST_03	Apply to Internship – Aptitude Test Extend (System)	Verify the aptitude-test scheduling prompt appears after a successful application to a listing that requires one.	Listing is configured to require an aptitude test; student is eligible.	1. Log in as student. 2. Apply to the listing requiring a test. 3. Observe system behaviour after submission confirmation. 4. Choose to schedule the test now.	Listing: “Data Analyst Intern – FinEdge” (Test required = Yes)	After successful application, the system prompts the student to schedule/attempt the aptitude test.	Prompt appeared immediately after confirmation, redirecting to the test scheduling page.	**Pass**
